

SAURABH K SINGH

8650115781 | Siktara9999@gmail.com | Siktara, Uttar Pradesh

PROFILE SUMMARY

I look forward to beginning my journey as a **Software Developer / Frontend Developer**, where I can merge problem-solving, creativity, and adaptability to build scalable, user-friendly, and innovative solutions. With a passion for learning and a drive to grow, I aim to contribute not just code, but value—helping teams deliver impactful projects that make a real difference.
